

CHELSEA HARBOR /
DOWNTOWN NORWICH
Mobility Study

Public Information Meeting

Join us at Norwich City Hall to learn about proposed transportation alternatives for downtown. The proposed alternatives are based on traffic analysis and public input with the goal of improving mobility, access to downtown destinations, and safety for pedestrians, cyclists, drivers, and transit users of all ages and abilities.

Come learn about the proposed alternatives and share your feedback on the future of transportation in downtown Norwich.

All are welcome!
